

technical rider

Han-earl Park

guitarist, improviser, constructor

Lineup: Han-earl Park (guitar).

Artist website: www.busterandfriends.com

instrumentation

1 x electric guitar.

tech rider

1 x GUITAR AMP

Fender Twin or Pro Reverb (blackpanel, silverface or 'evil') preferred. Otherwise a Fender, Mesa/Boogie or similar tube amp with plenty of clean headroom, and with at least one 12" speaker. No modeling amps, please.

1 x AMP RISER/STAND

Amplifier riser or stand. Not needed if the amp has tilt-back legs.

1 x BENCH/CHAIR

Piano/keyboard bench preferred. Otherwise chair without arm rests or sides.

1 x POWER OUTLET

An additional 230V AC power outlet accessible from the stage.

FOH: PA AND MONITORING

Only needed for larger venues, or louder club-type environments.

SOUNDCHECK

Minimum 30 minute scheduled soundcheck. Soundcheck scheduled to be completed before doors.
